

Deadlines (receiving date) for applications:

- **January 16, 2011** for students applying for an Erasmus Mundus **Category A** scholarship*
- **May 8, 2011** for students applying for an Erasmus Mundus **Category B** scholarship
- **July 17, 2011** for EU students and students who do not wish to be considered for an Erasmus Mundus stipend.

Please read the "INFORMATION ON THE ADMISSIONS PROCESS" at www.cimne.com/cm-master before completing the form.

Please fill it in electronically and upload to the virtual center.

** Category A scholarships can be awarded to masters students selected by EMMC consortia who come from a country other than an eligible applicant country and who are not residents nor have carried out their main activity (studies, work, etc.) for more than a total of 12 months over the last five years in one of these countries. Category B scholarships can be awarded to any masters students selected by EMMC consortia and who do not fulfill the Category A criteria defined above*

1. Personal data

If you have a medical complaint or disability that is not listed above, please tell us what this is and the type of support you would require:	

6. Preference of study institutions

NOTE: Please note that successful applicants will not be guaranteed their choices, but we will endeavour to place students at their preferred choices. The students scoring the highest marks in the application process will be given priority in the allocations.

Please choose your preferred hosting institution:	Barcelona (Spain) / Swansea (UK) [please delete as appropriate]
Please number the institutions as your preference for the second hosting institution:	1. 2. 3. 4. Choose from: Barcelona (Spain), Nantes (France), Stuttgart (Germany) Swansea (UK)

7. Proposed Referees Form

Two people who have knowledge of your academic and/or professional ability must support your application by providing references.

References will be provided directly by the referees you propose. We will send to them the instruction to submit their references.

You must fill the "Proposed Referees Form" and upload it to the course web site.

8. Personal statement / motivation

Please write a motivation statement in the box below. This should not exceed 2 pages. Please include why you are applying for admission to the MSc Computational Mechanics programme, explain your reasons for undertaking graduate work, as well as an explanation of your academic interests, including their relation to your undergraduate study, life and professional goals.

9. Declaration by applicant

Please read the following declaration carefully. If you agree with the declaration, please sign below. Unfortunately we are unable to consider your application if you do not agree with the declaration.

Declaration: "I confirm that the information provided on this application form is true, complete and accurate, and that no information requested or other material information has been omitted. I understand that the partner Universities reserve the right to cancel my application if it transpires that false information has been provided. I give my consent for the partner universities to use the information I have provided to create my student record."

Date:

Signature:
